Department of Commerce
University College for Women (Autonomous), Koti, Hyderabad

Certificate Course in Insurance

About the College

University College for Women, Koti, Hyderabad, is a premier institution established in the year 1924 catering education to the girl students. It is one of the premier institutions of higher learning in the entire Telangana area and is one of the constituent colleges of Osmania University. Sprawling over a campus of 42 acres, the main building of this college, which was a part of British legacy in India, is a monument of great aesthetic, architectural and historic importance.

The College is NAAC accredited with **`A'** grade and identified by UGC as the "College with Potential for Excellence". It offers Under-Graduation and Post-Graduation programmes in Arts, Social Sciences, Commerce, Management and Science. It also offers various diploma and skill oriented Certificate Courses. The college has a total strength of about 4000 students and 600 teaching and non-teaching staff. The college has successfully completed 90 years in the journey of educating and empowering women and is now moving ahead with renewed commitment and dedication towards its Centenary.

About the Department of Commerce

The Department of Commerce at University College for Women is an apt culmination of virtuous wishes and fruitful results. The Department has grown by leaps and bounds in terms of undertaking research work and arranging guest lecturers of eminent speakers from across the varied fields of study. The Department of Commerce, UCW was established in the year 1968. It offers Commerce Education for about 700 students both at Under-Graduation and Post-Graduation Levels. The Department of Commerce offers three self-finance courses along with the Regular B.Com. and M.Com. Courses viz., B.Com. (Honors), B.Com. (Computers) and B.Com. (Taxation). Due to the rich and updated inputs envisaged in the curriculum of the Department as is suited to the needs of the industry, the college has successfully placed B.Com. Students in companies like Capital IQ, Bank of America, HSBC, Infosys to name a few. The Department also runs a Tax Consultancy Cell and facilitates filing of the income tax returns of the faculty members of the college and the university through a program 'CLIQUE'. The Department in its pursuit to offer value education and meet the requirements of the industry has made computer component and commerce lab, a part of the course curriculum.
