About Organizers

Osmania University

Osmania University was established on April 26, 1917 with a firman issued by Nawab Mir Osman Ali Khan the seventh Nizam of the erstwhile princely state of Hyderabad to establish university to meet the needs of higher education. Osmania University is the seventh oldest in the country, third oldest in South India and the first to be established in the state of Hyderabad.

Department of Education

Osmania University Training College with BT degree came into existence in 31/08/1928 outside the campus. It was shifted to the University campus and was renamed as University College of Education. Under the centrally sponsored scheme, it is upgraded to the status of IASE during the year 1996-97. In 2018 it was again renamed as University College of Education. In 2019 the college was accorded with School of Education status by MHRD under the PMMMNMTT scheme. Department of Lifelong Learning is also located in the same campus.

About Collaborating Organizations

PGRRCDE: The PGRR Centre for Distance Education, Osmania University was established in the year 1977. Ever since the OU established the Centre for Distance Education, the Centre has witnessed phenomenal growth and emerged as a pioneering institution in the field of Distance Education.

EMRC: EMRC at OU is one of the 21 Media Centres established by the University Grants Commission (UGC), New Delhi, in 1984. The mandate for EMRC is to produce educational content as assigned by the UGC and CEC.

IGNCA, Ministry of Culture, GoI: Bharat Vidya Prayojana (BVP) a Division of IGNCA is working in the area of understanding and conserving the dispersed elements of Indian art and culture, and studying the diverse areas of Indian Knowledge Systems.

ABRSM: Akhil Bhartiya Rashtriya Shaikshik Mahasangh (ABRSM) is an organisation imbued with Indianness with an aim to propagate the ideology of Cultural Nationalism in the field of education and society.

VBUSS: Vidya Bharti Uchha Shikshan Sansthan has been established to realize the concepts of quality education which aims at determining the ideal and activities of higher education. About Conference

Indian Knowledge System (IKS) has evolved over Millions of years. IKS is a collective range of Indian Knowledge that has exhibited in systematized ways of knowing. Starting from the oldest compositions of knowledge i.e. the Vedic literature to the country's native and tribal folklore, the Indian Knowledge is spread as a spectrum. There is a vast repository of knowledge available not only in Sanskrit, Pali, and Prakrit but also in all native Indian languages. This has remained unexplored for the last several decades.

Indian Knowledge encompasses the Foundational Knowledge, Science, Engineering & Technology, Humanities and Social Sciences through a structured classification.

It has a wide range of several branches such as Astronomy, Ayurveda & Yoga (Health and Well-Being) Mathematics and Computing, Languages and Linguistics, Metallurgy, Rasa-Shastra, Public Administration, War Technology, Arts, Management, Science & Technology, Temple Technology and many more.

In the present education, disciplinary knowledge is more information & Knowledge oriented and gradually colonized, Anglicized, and Westernized with a focus on what is education. The Present Conference is an attempt to create a space to invite the ideas, perceptions, and innovations of intellectuals' visionaries from various fields to collaborate on a single platform and synthesize the Indian Knowledge System with Modern disciplinary knowledge to create a compendium of evident intellectual inputs.

Conference Objectives

1. To explore and disseminate the Indian Knowledge Systems across academia
2. To understand the intricate realities of Indian Knowledge Systems and explicate
3. To identify various streams of Indian Knowledge Systems with evident objective realities.
4. To corroborate the Indian Knowledge Systems to modern science and technology.
5. To integrate the Indian Knowledge Systems into the curriculum at various levels of education.
6. To develop intellectuals' insights into Indian Knowledge Systems & disseminate massively.
