To

All the Principals of all Campus &

Administrative Officers of OU

Sir/Madam,

As you are aware the University has taken up beautification of Campus on the occasion of Centenary Celebrations by way of face-lifting the Campus Colleges/ hostels including colouring of buildings.

In this connection, I request you to take initiative and interact with the student organisations with a plea **“not to paste any posters on the walls of buildings and also to avoid writings on walls”** to maintain good look during Centenary Celebrations.

Your co-operation in this regard is highly appreciated.

Yours sincerely,
