

OSMANIA UNIVERSITY
HYDERABAD – 500 007

PRESS NOTE
01.06.2018

New appointments

Dear All,

Osmania University has decided to ban the entry heavy vehicles, trucks, goods carriers, GHMC garbage trucks etc round the clock on the main arterial road running through the campus following a spate of fatal accidents and near misses. Only RTC buses will be allowed for the convenience of the students and staff.

In a statement, the OU Registrar, Prof. Ch Gopal Reddy stated that the decision was taken keeping in view the safety of students and pedestrians on the campus. He further stated that vehicular traffic was on the rise each year causing traffic snarls and frequent brawls between students and vehicle owners. The University had to act as there were recurring complaints from the student community.

PRO, OU
