TENDER NOTICE

The Osmania University in association with The Indian Science Congress Association (ISCA) is organizing 105th Indian Science Congress (ISC) at the prestigious Osmania University in its centenary year from 3rd - 7th January 2018. The 105th session of the Indian Science Congress is bound to draw the attention of the scientists, technocrats and all other stakeholders to think over how the formidable power of science and technology can bridge the gap between the rich and the poor and how to reach the unreached in creating equal opportunity for everyone to do away with poverty, hunger, ignorance and other evils which still block our ways in stepping into a new world of hope. Osmania University takes pride in hosting the prestigious 105 Indian Science Congress during its centenary coinciding with the Valedictory of Centenary Celebrations. The 105th Indian Science Congress is the first for youngest state of the Union – Telangana State. The theme of this session 'Reaching the unreached through Science and Technology' emphasizes the value of taking science to each and every citizen of India. India has made unprecedented advances in myriad branches of sciences. It has carved its niche as an upcoming 'science hotspot' in general with special presence in the fields of space research, traditional and alternative medicines, computer science, and basic sciences. The fruits of scientific advances need to be equally appreciated by each and every citizen. It is imperative that science touches, influences and ushers in a positive change among scores of individuals who were denied the luxuries of scientific advancements due to multitude of reasons.
